Highlights

Total access to iPhone

The openings on this case allow total access to all iPhone controls, the dock connector and the camera, so you can fully utilise iPhone while it's protected inside the case.

Protective silicone

This case is made out of soft silicone, which adds a layer of grip to your player while also protecting your device against normal wear and tear.

Multi-pack: Pick your favourite

With a variety of styles to choose from, you can select your favourite for the day, then change it up the next day. Express yourself - match your outfit, your mood, or your player.

Slim, pocket-friendly design

The slim design adds protection with minimal added bulk, so your device still fits easily into your pocket or bag for protection on the go.

Covered buttons for protection

The case material covers the volume buttons, giving you push-through control while your device stays protected.
